hi ladies

i made it up to nh ok. now i am going to do a little work. i guess they are not going to put bingo down just yet. my mom said that she needs Tom to be ok w/ it before they do anything and he is not convinced yet that it's the right thing to do. so until he decides it's time, nothing will happen. but at least i got to spend some time with him. i knew that he would not be around forever so i pretty much have treated each time i see him like it could be the last time for at least a year now. but this time it could really be it...and i'm ok with that.

ok, enough of that. what else is going on? what's up for the weekend?
